New Business-

Aire Faucon as a canton is very weak and there is a lack of interest. We need to look at the growth of the Canton and decide if we are going to continue running the Canton.

Should we dissolve the canton or not??

This would happen AFTER Inn on the Road if we get TOC

Arnora brought up the possibility of doing a demo or 2 to generate more interest.

Tal thinks that by mid year, there needs to be more involvement or we should take a vote.

Closed meeting- 8:25
