New Business

Ommari wants volunteers for gold key at WoW.

emails bouncing - talk to Cyriac

Canton needs another event, maybe? Lisa waved her hands around like a falcon and had an idea about a steppes/magyar event. There was discussion. We need sites, we need calendar time, we need lead time. We need to consider improving the balance of the account to support a larger event site. \$3500-\$4000 was recommended and generally agreed.

We need to consider what kinds of fundraisers are possible and work over the next year or two to increase the balance.

Lets do FotF there again next year, and advertise.

Old Business

Beth will paint the sheet for the sheetwall after I get the thing drawn. We need to get the lettering done as a separate issue.
