Old Business:

1. Marshall: status of your listing corrections with kingdom so I can request you to be added to our slate of officers under the proper NOT PRESENT.
2. Herald: status with getting AF listed on your warrant... herald "AT LARGE" on warrant is totally valid, and CoAF is listed as well. DONE.

3. waiting for Jan/Feb before I contact Chris (Lord William) again to start working on AppleFest for 2020 WHICH HAS PERMANENTLY MOVED TO OCTOBER EACH YEAR. Mention was made at Dec meeting about doing a demo at Lincolnton Comicon which falls during Pennsic. Could give the homebodies something to do ... Does having 3 months between demos allow folks to not burn out as was mentioned before or do we still only want to do one or the other? Which one? Attending members were split between the two events. Events have different focus, different audience. Both have pros and cons. Consensus for the moment seems to be to go with Comicon. I will get the info to follow up with organizers as to if there is a cost to participate.

4. Hangouts is going away in 2020. Possibilities of Skype and other platforms were mentioned. Would anyone consider heading up this search? Consensus is we have time to figure out the next platform. No action needed right now.

5. The new FB PAGE was up and running by the end of last month's business meeting. If you have not already, please like and follow the page. Invite your friends to like the page.

6. Any movement on a meeting room for the Feb Baronial meeting? I thought I would have info from Prudence... (she was emailing a contact during the meeting...) Prudence forwarded me contact info for a possible site and I will follow up tomorrow or this week.

7. Anyone willing to be exchequer? Tatiana's warrant expires in a few months. Volunteers? I put it out there. Will post on the fb PAGE and GROUP.

New Business?

1. Business meeting dates: Feb12, Jun 11 and Nov 12 are in person at Gaston College, Morris Library, Dallas. Already confirmed with college. Aug there is no meeting, others are 2nd Tues online. All meetings are at 7.30p. Dates are updated on the fb Page and Group announcements. I need a new A&S schedule for the announcement posts.
2. NEW FB PAGE: I am looking for updated photos for the new fb Page. I sent out 19 invites for people to like the new PAGE. So that we can get folks transitioned to it. PLEASE invite anyone you feel would benefit from being on the PAGE. Not everyone who is part of the group is on my personal friend list and I can't send invites to them.
