

No meetings were held in April due to lack of attendance.

May 8, 2007

The meeting was called to order at 7:15pm at the Western Sizzlin' Restaurant.

The following people were in attendance: Brianna, Talorgen, Miriel, Wynne and Fergus.

After welcoming those present, the reports below were given.

Seneschal's Report:

This is the first meeting in 3 months. Since that time, we have had canton members that have been involved working several events, including Coronation and Crown. At Coronation, Katerina was awarded an Opal. At Crown, Jonathan was awarded an Opal for his poetry. Also at Crown, Bryan made it to the final four in the tourney and Jonathan made the finals.

Vivat to both!

Exchequer's Report:

Susanna couldn't be here, but reported no changes since last month.

MoAS' Report:

Not present - sent no report.

Herald's Report:

The new triton is trying to revitalize the office. If anyone wants to learn to become a herald or need help with heraldry, please talk to Tal

Chatelaine's Report:

Position open. Wynne announced her intent to warrant for the Chatelaine's office.

Old Business:

None was brought forth.

New Business:

The event bid process is long and cumbersome. It has been asked that we discuss the possibility of deleting it from the financial policy completely or replacing it with a much simpler process. After discussion, it was unanimously voted to totally abolish the event bid process.

Inn on the Road 2008 - Nicole is hoping to put in a bid for Inn on the Road 2008. Any one else interested in bidding, please do so.

Flight of the Falcon 2008 - it is not too late to put in a bid for the event and get it spiked. This would insure the date we want for next year.

The meeting was adjourned at 7:30pm.
