Seneschal: Jonathan came in 2nd in the Rose Tourney and received Queens award of courtesy. Lydia won Tempora Atlantia at Coronation. St. Urho's Ragnarr came in 1st for the tourney, Cyriac came in Second.

Chatelaine: Not present

Exchequer: Manus' warrant is sign sealed and delivered. He would like to see about the Canton getting a PO box so that the address can be put on the checks. Looking into the cost. Current balance is in Susanna's hands ☐

MoAS: Mauve learned how to do Viking wire weaving at Gulf Wars. Mauve got great fabric at Gulf Wars. Not much going on A&S. Lydia is thinking about teaching at Runestone Collegium. Finding out what classes are being taught at Runestone.

Knight Marshal: Vacant. We nominate Ryan! (He's not here)

Herald: Nothing to report.

Chronicler: No report - no newsletter. Minutes are being posted as soon as she gets them to Cyriac.

Web Minister: Website still there. Need several people's info for members page. Resending template to the list. He has taken the College of Heralds website as well.

Old Business: Inn on the Road- did not get to speak with the knights at Coronation. Possibly email some of the chivalry. ToC is a fundraiser at this point. Don't think that will be a problem. Kingdom A&S festival was hysterical. Jonathan will share the DVD when he gets it.

New Business: Flight of the Falcon is still up in the air due to needing to figure out the date. Hopefully we can do it at Golden Valley.
We need a Seneschal deputy because Sherra is stepping down in October.
Jonathan volunteered.
