- b. What went right / what do we want to repeat / What can we improve:
- c. SITE
 - i. We are getting too big for the site.
 - ii. No breeze at the fighting field, unsafe. Hot and airless. Got sick and couldn't eat dinner. Talk about how hot it was, and how we need to find another location to get breeze.
 - iii. New site? - We have looked in the past, but we haven't succeed yet. But this is a new year.
 - iv. Maybe we need to spend more on the site. With over 80 newcomers, it may be really worth it to spend more on the site.
 - v. Maybe suggested donation amount at the troll to offsite site costs increases.
 - vi. Lord William will look into the site in Lincolnton, used about a decade ago. The Pumpkin Center Community Building - The address is 2728 Clubhouse Rd Lincolnton, North Carolina
- d. LIBRARY / A&S
 - i. Library didn't work – is it wrong for the event, or did closing it off behind “walls” make it harder to access.
 - ii. Herald tent worked.
 - iii. Maybe instead of library do A&S only because the map was very big draw – maybe not the awesome stuff, but pictures of growing in the art – from mediocre to good.
