- b) Can we move the business meeting to one of the Thursdays or keep the Tuesday? No, Keep Tuesdays
- c) Do we want to try to put in a bid for Fall University? Quite possible. We will work on getting a site. It may need to be for 2020, not 2019.
- d) Demo at Apple Festival next year. Plans will begin in earnest at the end of Jan. Membership expressed concerns for doing a demo and an event (University) in the same month. Concerns were also expressed about the feasibility and gains of Apple Festival, but after discussions it was agreed to try for it in 2019.
- e) Any other demo ideas? Folks will think on it.
- f) Michelle - Wants to learn about "the business of running events" and clothing. (Hence the topic for the next newcomer night.)
- g) Lord Urik von Mainz - Wants to continue as archery marshal and set up his house for archery practice, also for armor making. Wants to increase his participation level.
- h) From this comes (1) setting up archery in the canton next year. (2) maybe changing "gaming and potluck" to "armory and potluck".
- i) Final note - he loves teaching and wants more demo participation.
