Old Business:

1. STATUS: Canton Banner? JD still has not submitted it.

New Business:

1. How is everyone doing?? Is there anyone that needs any help/assistance/guidance?
2. Seneschal received a request from members of the Barony of Hawkwood considering starting a new canton that would be based in Rutherford County. They are looking for a list of zip codes that belong to Aire Faucon. Seneschal of Sacred Stone had provided that 28024 and 28043 belong to Aire Faucon. Secondly (and this is just the thought of Elspeth, not Hawkwood or the barony)... if this new canton gets approval what would we do with the 2 zip codes? Keep them

in Aire Faucon or release them to the new canton. Overwhelming opinion is to give them to the new canton. Those zip codes are not conducive to regular local participation in our area and if it means more people would play with a closer group.. the more the merrier.
